

Nevada. And they call for the establishment or expansion of various reserves to protect nature.

We hope that you will bring these resolutions to the attention of your Conservation Committees and of your members. We hope that you can support them and work for their implementation. If your club brought this issue to our attention, I hope that you will take the lead in suggesting further ways that the Federation can be of help. And I hope that your club will send ideas to us for resolutions next year, as well as a delegate to our next convention.

Right now we are considering an invitation from the Sierra Club of British Columbia to have our 2001 convention in their province. The most likely dates will be earlier than usual: July 27-29. We will let you know once the specifics are confirmed. We hope that you can participate. Thank you for your support.

Sincerely,

Michael McCloskey  
President
